DEDUCTIBLES WITH DISCOUNTS

When a contract is issued with a deductible, the *Insured Person* agrees to either reimburse the *Insurer* or pay the portion of the eligible medical expenses equivalent to the deductible amount. *You* could have the option to choose between traditional or hospital-care deductibles ranging from CAN \$250 to \$10,000, reducing *Your* premium by 5% to 35%.

- **Traditional Deductible:** The full amount of the deductible applies on a per *Event* basis.
- **Hospital Deductible:** The full amount of the deductible applies as soon as an *Event* involves *Your Hospitalization*, visit to the Emergency Room of a *Hospital*, or visit to an internal or external *Hospital* clinic. The deductible also applies to land or air ambulance transportation.

PREMIUM CALCULATION

Tour+Med premiums are fully personalized and calculated upon:

- *Your* age on the *Departure Date*;
- *Your* gender;
- The exact number of days of *Your Trip*;
- The use or absence of options and a deductible;
- Available discounts, if applicable.

Premiums are subject to change without notice. Travel medical insurance is exempt of tax and can be calculated as medical expenses in *Your* income tax report. *Your Travel Insurance Confirmation* will act as *Your* tax receipt.

IMPORTANT DEFINITIONS

The meanings of words printed in *italics* throughout our documents are explained in the “Definitions” section of the policy. Here are a few examples. Read the policy for details on all of our defined words.

TYPES OF PLANS

Single Trip Plan

The Single Trip Plan is offered for any *Trip* outside *Your* province of residence and is valid for the length of the single *Trip*.

Requests for premium refunds will only be considered in the case of non-departure or early return. See section XI. Premium Refunds in the policy for more information.

Unless the Trip Break option applies, if *You* are covered by a Single Trip Plan and return to *Your* province of residence, the policy is automatically terminated. See the policy for details on this option.

TYPES OF PLANS (continued)

Annual Plan (Multi-Trip Plan)

The Annual Plan provides coverage for multiple *Trips* outside *Your* province of residence for a duration not exceeding the maximal duration option chosen on the *Travel Insurance Confirmation* during the *Policy Period*. Coverage under the Annual Plan begins on *Your Effective Date* and terminates on the *Expiry Date* as indicated on *Your Travel Insurance Confirmation*. *You* must meet the eligibility conditions before each *Departure Date* and individual *Trips* must be separated by a return to *Your* province of residence.

The Annual Plan also provides coverage during the *Policy Period* for unlimited travel within Canada but outside *Your* province of residence. *You* may need to purchase a Single Trip Plan if *You* leave Canada after being outside of *Your* province of residence longer than the maximum duration chosen.

Premium paid can only be refunded prior to the *Effective Date* of the policy.

Family Plan

The family plan also covers *Your Children* travelling with *You* and whose names appear on the *Travel Insurance Confirmation*. Maximum of 2 adults of 59 years old or less and 4 *Children* per policy.

“*Children*” - Means *Your* sons and daughters aged between 3 months and 21 years on the *Departure Date*, who are unmarried and dependent on *You* for support.

IMPORTANT

- I understand that if I do not meet the eligibility and the policy requirements of the policy, the **Insurer may deny my coverage and render my policy null and void.**
- All of the numbered pages of the *Travel Insurance Confirmation* are an integral part of *Your* policy. Subject to the terms and conditions of the policy, the benefits payable are subject to the policy being purchased and paid in full before *Your Departure Date* from *Your* province of residence. *Your Travel Insurance Confirmation* and a copy of the policy will be sent to *You* by email or mail following payment of *Your* premium. A specimen of the policy can be consulted under section “Documentation” of the website www.lsvoyage.ca.
- Following the purchase of *Your* travel insurance, *You* must carefully review *Your Travel Insurance Confirmation*, as the document reflects the information *You* provided.
- Take note that any declared or undeclared *Medical Condition* which has not been *Stable and Controlled* in the 3 months preceding *Your Departure Date* is not covered. This includes but is not limited to any *Medical Condition* for which *You* are in the process of investigation, or waiting for a diagnosis or *Treatment*. Please read the definition of *Stable and Controlled* in the policy. If *You* wish to be covered, inquire about the Reduced Stability Period option.
- **If *You* fail to call the Emergency Assistance prior to any *Treatment*, the *Insurer* will deny the claim or limit the reimbursement to the lesser of charges that would have been incurred within its network of medical providers or 70% of the eligible expenses incurred up to a maximum of CAN \$ 25 000.**

EXCLUSIONS AND LIMITATIONS

The policy contains exclusions and limitations. Here are a few examples. Read the policy for details on all of the exclusions and limitations that could affect *Your* coverage.

Benefits are not payable under this policy if losses sustained or expenses incurred are the direct or indirect result of, for example:

Your Pre-existing Medical Conditions:

1. Any *Medical Conditions* or *Changes* in *Your* health (except *Minor Ailments*) that have not been *Stable and Controlled* for a period of three (3) months before the *Departure Date*, unless specified otherwise in writing by the Insurer.

2. Any *Treatment* not authorized by the Emergency Assistance, or not considered to be an *Emergency* as defined in this policy. (See a list of examples in the policy.) Also, any *Treatment* that could reasonably be delayed until the *Insured Person* returns to his/her province of residence even if the perception is that the care may be of less accessibility and quality in the province of residence.

3. If Medical Assistance decides that *You* should transfer to another facility or if the Emergency Assistance Medical Director determines that *You* can return to *Your* province of residence for *Treatment* (by the most appropriate transport option), and *You* (or a member of *Your* family) choose not to, benefits will not be paid for this *Treatment* and any further medical *Treatment*. The contract will be terminated and the *Insurer* will be relieved of any further liability.

4. The continued *Treatment*, *Recurrence* or complication of a *Medical Condition* or any direct or indirect complication that may occur, if Medical Assistance determines that *Your Emergency* has ended.

The intent of Your Trip:

6. A *Trip* undertaken for the purpose of obtaining a diagnosis, on the recommendation of a *Physician* or not, *Treatment*, surgery, investigation, palliative care, or any alternative therapy, as well as any directly or indirectly related complication.

7. Any *Medical Condition* or *Symptoms* for which it is reasonable to believe or expect that *Treatments* will be required during *Your Trip*.

20. Any *Medical Condition* sustained during a *Trip* related to a remunerated activity or volunteer activity, or occupational duty if such activity or duty requires that *You* spend more than 14 days outside Canada in a year.

Other risks:

16. Any costs related to *Your* pregnancy or childbirth (...) as well as complications of pregnancy occurring within nine (9) weeks preceding or following the expected date of delivery. (See the exact exclusion in the policy for more details.)

17. Any *Accident* or *Medical Condition* sustained while participating in (a sport or any activity deemed risky by the *Insurer*, such as gliding, hang-gliding, rock climbing, parachuting, any speed or race contest, any underwater activity, (...)) or any activities requiring that the *Insured Person* signs an accident waiver and release of liability form. See the exact exclusion in the policy for more details.)

19. Any Event or claim pertaining to (...)

f) The reason for which the Government of Canada (www.travel.gc.ca) issues a travel advisory to avoid all travel or to avoid all non-essential travel to a country, region or city, if the advisory is in effect on *Your Departure Date*. (...) It is *Your* responsibility to verify the status of *Your* destinations. (Please read the complete exclusion in the policy for more details.)

RIDERS

The *Insurer* offers riders in order to customize *Your* coverage. Ask to verify *Your* eligibility and if a rider suits *Your* needs. Details of a rider will be provided in the specific documents of the said rider.

NOTICE OF RIGHT TO EXAMINE THE POLICY

You have ten (10) days, from the day *You* receive *Your* policy, to inspect it and verify the accuracy of *Your* declaration and *Travel Insurance Confirmation*. The policy contains some limitations and exclusions. Please read it carefully and contact *Your Representative* if needed before leaving. If *You* are not completely satisfied, return it by registered mail to the *Insurer* and any premium paid will be refunded, provided that *You* have not taken any *Trip* during the examination period. Failure to return the policy will be considered as an acceptance of all of its terms, conditions and limitations.

IMPORTANT: For benefits to be payable under this policy, required premium payment must be received prior to *Your Departure Date*.

This policy contains a provision removing or restricting the right of the *Insured Person* to designate persons to whom or for whose benefit insurance money is to be payable.

HOW TO FILE A CLAIM

Required documentation must be received no later than 90 days after *You* return to *Your* province of residence from *Your Trip*. Cash register coupons (stubs) will not be accepted for reimbursement. Any fees for the completion of medical certificates or claims forms are not covered by the *Insurer*.

It may be required that *You* pay providers directly. Coordination of care through the Emergency Assistance will expedite reimbursement.

All claim forms are available online at www.lsvoyage.ca or by calling 1-877-344-8398.

In the event of a dispute over the reimbursement of a claim, the *Insured Person* must request in writing that the revision committee reassess the claim before taking any legal action. The request must be sent in writing 30 days of the receipt of the written position from the *Insurer*. The committee will take into consideration all pertinent information provided by the *Insured Person* and a decision, based on the insurance policy provisions and conditions, will be rendered in writing within thirty (30) days of the receipt of the revision request.
